A GUIDE TO THE CLOSING PROCESS

*Please read this packet in its entirety.*

The purpose of this guide is to make the closing process a smooth and enjoyable one for all involved.

Thank you for choosing Slepian, Schwartz and Landgaard.

We truly appreciate your business.
HELPFUL HINTS FOR A SMOOTH CLOSING:

- **TWO** forms of identification are required at closing. Your driver’s license as well as one more form. It is preferred if the second form of identification has a picture on it, however, a picture is not required. The second form of identification may be anything but a credit card, e.g. military identification card, membership club card, weapon license, etc.

- Please show up 10 minutes early to closing so that we may copy your driver’s license and obtain any additional items required for closing.

- **The Georgia Good Funds Law:** The law prohibits the disbursement of funds until all funds are collected (O.C.G.A. § 44-14-13(c)). “Collected Funds” means that the funds have been fully credited in our account. (See THE MONEY guide later in this packet.)

  - **$0 → $4,999.99:** cash, personal check, cashier’s check, certified check and wires are acceptable. (No ACH’s)
  - **$5,000.00 → $9,999.99:** cash and wires are acceptable. (No personal checks, certified checks, bank drafts, cashier’s checks or ACH’s.)
  - **Over $9,999.99:** ONLY WIRES are acceptable. (No cash, personal checks, certified checks, bank drafts, cashier’s checks or ACH’s.)

- **SELLERS:** Please return the Seller’s Information Sheet AND Seller’s Authorization Form included in this package (both pages) as soon as possible in order to avoid possible delays.

- **AGENTS:** Please forward any Disbursement Authorizations / Pay-at-Close documents as soon as possible in order to avoid issues with the final disbursement of settlement/closing funds.

THE MONEY -- SENDING MONEY TO US

AMOUNTS REQUIRED FOR CLOSING: Effective 07.01.2012, pursuant to O.C.G.A. §44-14-13, all funds exceeding the sum of $5000.00 brought to a closing must be in the form of a wire transfer only. No official, certified, or cashier’s checks can be accepted for amounts over $5,000.00.

CASH: We will accept cash up to $9,999.99.

ACH’S: ACH transfers are NOT the same as wires and our firm will not accept them for any amount. ACH transfers are subject to federal laws that give the consumer 60 days to claim that a transfer is unauthorized; and if the consumer claims that a transfer was unauthorized, the funds will be immediately withdrawn from our account. Therefore, ACH funds are not considered “settled” under the Georgia good funds law.

TRANSFERRING MONEY ONLINE: Please note that if you use an online system to transfer money it will come over as an ACH transfer. See above – WE CANNOT ACCEPT ACH’s.

TIMING: Please allow 3-4 hours from the time you send your wire to the time it is received at our office. If your closing is before noon, please try and send your wire before 2 p.m. the previous day. If the wire has not been received in our office by the time of closing, we will not be able to disburse funds and “officially” close.

CASH DEPOSITS: You may NOT make a CASH deposit into the IOLTA account. Funds must be WIRE transfer.

****PLEASE NOTE: When submitting your funds for wire, we strongly encourage you to NOT LEAVE YOUR BANKING CENTER until you have been provided a Federal Reference Number. This number usually begins with some variation of the date (i.e. the month and day the wire is to be released). It is a 16-20 digit number. Many Banking Institutions are holding funds to be wired until the end of the business day. Internal or Bank reference numbers are NOT Federal Reference numbers.****

AFTER THE CLOSING – FAQ’S

✓ **BEFORE LEAVING OUR OFFICE**, please make sure we have correct mailing addresses for each party as well as current phone numbers and email addresses.

✓ **After the closing**: Original recorded deeds are mailed **30-60** days after the closing and are mailed to the property address if another address is not designated at closing.

✓ **Tax Statements**: Counties typically mail the tax statements to whomever owned the property as of January 1st of the tax year being billed. Purchasers who did not set up an escrow account with their lender and Purchasers who paid cash will need to pay the current year property tax bill. Purchasers are required to pay the property tax bill whether or not they receive a bill. Most counties have an online system for the payment of property taxes. If you are a seller and you receive a bill for a property you have sold, please forward that bill to the new owner.

✓ **Tax Prorations**: Taxes collected at closings occurring prior to the issuance of a tax bill are ESTIMATES only. The estimates are based upon the previous year’s tax bill. If the prorations provided at closing require adjustments upon receipt of the current year tax bill, the parties should make the appropriate adjustments amongst themselves.

✓ **Our office will send you the original Warranty Deed transferring the property into your name as soon as we receive it back from the Clerk’s office**. Therefore, if you receive any offers from third party companies charging for this service, you should disregard them.

✓ **1099** – The Settlement Statement from your closing serves as your 1099-S. Please use this when filing your taxes.
